Surendra Kumar Shukla
Advocate
Founder Manager

Founder Manager's Message

The aim of **Surya Public School** is to inculcate Moral Values and Virtues among children and thus shape up their future and ensure that their career shines as bright as Surya. Parents have to play a major role in shaping the overall personality & future of the children. thus parents are urged to inculcate good habits in their children. Parents should be God fearing, Law abiding, honest, self disciplined and self-motivated. Our children are our future and it will be an endeavor by Surya Public School to make its students able citizens of the country, who are intellectually sound, morally upright, and can face current trends of science & technology, bring your children in to our fold for their bright future and able grooming.

Our students are motivated by an innate curiosity and excitement for learning. They seek the opportunity connect with learning and make a reference in the lines of others.

Jyoti Shukla
Founder Director

Founder Director's Message

"Our mission is to provide positive catalytic impulses to every child to stretch his inherent learning competencies through a self-discover process"

Education is the continuous process that leads to the achievements of the full potential of the child. Our strenuous efforts are to enable our students with their efficiency to face this real world.

Our focus is to develop the children as global citizens with tolerance, respect, and appreciation of diverse cultures. They should be self-motivated and confident decision makers to take up a leading roles in future.

Ayush Shukla
Director

Director's Message

Wings of ambitions and roots of generation. This has been the philosophy and trust of our institution. This institution is committed and devoted to bestow the super quality education in different streams in order to blossom the children in their high ethical values among the children, sowing the seeds of the individuals who will strengthen the nation's future growth.

We aim to provide hightec and globalized education which blends in the right mixture of theoretical and practical knowledge and motivate our children to achieve the new dimensions of achievements.

As a young aspirant we offered enormous opportunities for our scholars in blooming themselves in the different distinguished sphere of life. Our possibilities are only limitized by our thinking. What may be the limit of one person is a walk in the path for another all in our mind. We have within ourselves the ability to become and achieve anything we want. Decision taking skill is the one which enables us to routine things in a different manner. Stop making excuses take quick and speedy decisions and dare to be.

Neha Shukla
Founder Member

Founder Member's Message

The Dynamics of the society today has changed dramatically and hence requires great deal of imagination, creativity, multiple skills and decision making to enable individuals to succeed in the global competitive scenario.

Our school is entrusted with responsibility to expose children to the education system which is in tune with its time and also to hone their academic, mental, physical and emotional strength for their holistic development.

We at Surya Public School are committed to help our students to master the expanding horizons of technology, develop self awareness, academic excellence and global perspective, as also to become the repository of a deep commitment to Moral values, Indians ethos and culture, so as to transform them into a true global citizen and to even better human being.

Mrs. Preeti Trivedi
Principal

Principal's Message

*Learning gives creativity, Creativity leads to thinking
Thinking provides knowledge, Knowledge makes you great.*

Surya Public School, an institution in the making is coming up nicely at Madhur Mau, Sultanpur Road, The School has very bright future plans. The child once admitted may come out as a professional and it will be complete education of the child under one umbrella.

It was God's plan and our vision to start such an institution. The School has large class Rooms, Play Grounds, Green Lawns, plenty of open space, a big computer lab, Library & Science Lab and Smart class etc.

The opening ceremony was held on Thursday 6th March 2008, a day of joy & happiness for the parents & guardians of Madhar Mau, Ganga Ganj, Arjun Ganj, Cantt, and adjoining areas. There was much need for an educational institutions in the area.

This year has been an enormous and innumerable amplitudes of success, when students of 10th & 12th secured more than 95% marks and added one more milestone in the glory of our institution.

Mr. Surendra Kumar Shukla, is a well known personality of Arjun Ganj. He is an Advocate by profession, son of an Educationist and hold high esteem in the show. After observing the need for an educational institution for the people of adjoining area, his concept is realized by this institution.

This wonderful dream will only come true when Parents will give their help, support, guidance & co-operation by strengthening their hands to buildup a bright future for their ward through this institution.

I can visualize the bright future of Surya Public School and the students of this institution.

Dear Parents we assure you that each one of us in Surya Public School will help the students in their all round development & inculcate good habits for a bright future. Our well trained dedicated staff is devoted to the school and your wards and shaping their future to become a global citizen and to fulfill the noble purpose of serving their parents and country.

SURYA PUBLIC SCHOOL

About Us

Surya Public School its kind in Lucknow. The school plays an important role in preparing community leaders in the field of Science, Arts, Business, Industry, Politics and Sports. At Surya Public School, we aim at making children capable of becoming responsible and productive members of a global society. Here knowledge, skills and attitudes are inculcated in children through learning experiences and opportunities created for them in the school. It is in the class room that learners can analyze and evaluate their experiences, learn to doubt, to question, 'to investigate and are driven to think independently. We firmly believe that knowledge should be imparted not only to make the learners literate but to educate them life skills, attitudes, emotions and values are equally crucial for the holistic development of the children. We are determined to maximize opportunity for everyone in our community by utilizing best practice strategies in a collaborative, co-operative and supportive environment. It is with great pleasure that we welcome you at the Surya Public School.

Vision

Trying to produce a change in the current educational paradigm, and giving dreams introspection, analytical ability, assimilation and creativity, Surya Public School enables children to derive optimum benefit.

- Understand the value of child education through the Montessori and Kindergarten systems used throughout the world.
- Recognize the maximum benefit of any service to children through the re-operation of parents and other educational workers in the field.
- Provide latest aids and educational apparatus to create a suitable atmosphere for teaching-learning process.
- Welcome suggestions from parents, well wishers and educationists for the upliftment of the society.
- Work for the highest standard in the quality of staff and equipments in all the branches with the latest amenities.
- Re-affirm our belief in the value of high-quality education in the early years and know that only sound education can change our destiny.
- Build a child's self esteem projecting his/her personality profile.

MISSION

- To produce cent-percent results in CBSE Examinations.
- To stimulate imagination for positive attitude building through study techniques and effective communication.
- To produce conscientious competitors and builders of the nation.
- To remove ignorance from the society and prepare children for achieving academic excellence and success in life.
- To encourage children to pursue various anti-pollution campaigns and an ecological awareness to create a pollution free environment.

Creating Entrepreneurship and Manifesting Potentialities

- All round development of the child in all spheres of life is our motto.
- The school imparts education at Pre-Primary, Primary, Middle, Secondary levels with the aid of the latest amenities.
- Individual attention is given to each and every child, daily homework is carefully checked, terminal tests are held and suggestions for the child's further progress are regularly given to the parents.
